PLAYER CONTRIBUTIONS

The cost of operating a football program continues to rise each year. While we work hard to offset costs through fundraising and sponsorship efforts, player contributions remain essential to keeping the program running. Simply put, we would not be able to operate without this support.

We understand that every family's situation is different. If making your contribution at this time is challenging, please don't hesitate to reach out at sjhstallionfb@gmail.com to discuss available payment options. We are committed to working with you to ensure every athlete has the opportunity to participate.

<i>ANNUAL CONTRIBUTIONS</i>	<i>DUE</i>	<i>COST</i>
Spring Camp	April 12, 2026	\$200
Summer Camp	June 21, 2026	\$300
Fall Season	August 1, 2026	\$825

FUNDRAISING

Operating a competitive football program involves significant expenses that extend well beyond what the school is able to provide. Costs such as new updated equipment and safety standards to transportation and staffing, the true cost of running the program continues to increase each year.

This year's fundraising efforts are especially important in helping offset travel expenses for our Hawaii trip and game, while also supporting essential program needs such as helmet reconditioning, new uniforms, transportation, athletic trainers, coaching stipends, team meals, and other capital improvements.

We understand that fundraising requires time and effort from our families, and we are truly grateful for your support. These collective efforts are what allow us to maintain a safe, competitive, and high-quality experience for every athlete in our program.

ADVERTISE WITH STALLION FOOTBALL

Dear Fans and Supporters of San Juan Hills High School,

I am writing on behalf of our student-athlete football players who attend San Juan Hills High School. Our goal is to maintain a Class A football program, which gives its players and families a high quality football experience. In order to continue our excellence in football, we need your support. We hope you will consider advertising with the Stallion Football program. As a community partner, you can be a valuable resource to the Stallion Football Program. By investing in our football program, your business is showing consumers it is dedicated to the community in which you serve.

We are asking that you partner with us in our fundraising efforts this year. Partnering with us assists you in targeting a wide demographic by reaching thousands of highly enthusiastic people and families in South Orange County who shop, eat, and seek services of all kinds. **100% of the money raised goes directly to the football program.** Funds go towards stadium enhancements, uniforms, major equipment purchases, coaching stipends, and facilities maintenance. As a non-profit organization, we welcome your sponsorship with Stallion Football and value your partnership.

We offer a variety of options for businesses interested in advertising. Advertising is available in BADLANDS STADIUM at San Juan Hills High School and/or the STALLIONS GAMEDAY Program. Each year our school has thousands of fans and families from the community attend our football games (average 3,000 per home game). We are confident that your ad will reflect the quality and character of your business, while also serving to support a very worthy cause.

Please review the attached pages as more details are given as to how you can support San Juan Hills High School Football. We are grateful for your consideration to partner with our football program and I encourage you to contact us if you have any questions regarding the type of ad that suits your business needs.

Sincerely,

Rob Frith
